

## Contributions to be presented at the Statutory Meeting.

### Contents

- B. Distant Northern Seas Committee
- C. Near Northern Seas Committee
- D. Baltic-Belt Seas Committee
- E. Comité Atlantique
- F. Comparative Fishing Committee
- G. Gadoid Fish Committee
- H. Herring Committee
- J. Sardine Committee
- K. Scombriform Fish Committee
- L. Salmon and Trout Committee
- M. Shellfish Committee
- N. Hydrographical Committee
- P. Plankton Committee
- R. Whaling Committee (no papers)
- S. Statistical Committee

Contributions to be presented at the Statutory Meeting.

B - DISTANT NORTHERN SEAS COMMITTEE

B:1	Anon.	"Administrative Report".
B:2	G. Jónsson	"Preliminary investigations on Icelandic catfish ( <u>Anarhichas lupus</u> L.)".

Contributions from other Committees with reference to  
the Distant Northern Seas Committee

Gadoid Fish Cttee., G:1	Anon.	"Report of the North-Western Working Group".
Symposium No.17	J. Lehn- Johannessen	"Some observations on Norway pout and blue whiting in ICES sub-areas I and II".

Contributions to be presented at the Statutory Meeting.

C - NEAR NORTHERN SEAS COMMITTEE

C:1	Ch. Gilis	"La limande ( <u>Limanda limanda</u> L.) de la côte belge".
C:2	Anon.	"Administrative Report".
C:3	J. Flüchter	"Spawning, first feeding and larval behaviour of the North Sea sole".
C:4	St. Kujawa	"The role of Paguridae as Necrophagues on the fishing grounds of the North Sea".
C:5 Ref. Herring Cttee.	K. Schubert	"The German northern North Sea herring fishery". (Transferred to the Herring Committee as H:34)
C:6	J. Corlett	"Mortality of 0-group plaice in the northern Irish Sea".
C:7	M. J. Holden	"The rational exploitation of the Scottish-Norwegian stock of spurdogs: further comments".
C:8	S. J. de Groot	"The role of visual and olfactorial factors in connection with the feeding behaviour of flatfishes".
C:9 Ref. Shellfish Cttee.	J. H. Steele	"Experiments on 0-group plaice in underwater tanks".

Contributions to be presented at the Statutory Meeting.

D - BALTIC BELT SEAS COMMITTEE

- |                                       |                                 |  |
|---------------------------------------|---------------------------------|--|
| D:1                                   | O. Bagge                        | "Tagging of flounder in the western Baltic, the Sound and the Belt Sea".   |
| D:2                                   | T. Rochon                       | "On primary production in the southern Baltic. I. The Bay of Gdańsk".  |
| D:3                                   | Z. Ringer                       | "Borders of the occurrence of flora species as depending on salinity according to Polish investigations in the southern Baltic and in the Firths of Vistula and Szczecin". |
| D:4                                   | W. Mańkowski                    | "The influence of environmental conditions upon the fish life in the Baltic Sea".  |
| D:5<br>Ref.<br>Hydrogr.<br>Cttee.     | A. Glowńska                     | "Changes in hydrographical conditions in the southern Baltic".   |
| D:6<br>Ref.<br>Hydrogr.<br>Cttee.     | A. Glowńska                     | "Hydrographical conditions (T, S, O <sub>2</sub> , P) in the southern Baltic, May 1965 - May 1966".  |
| D:7                                   | L. Zmudziński                   | "The conditions of distribution of bottom fauna in the Baltic Sea and its adjacent Firths".  |
| D:8                                   | L. Zmudziński                   | "The resources of bottom fauna of the southern Baltic".  |
| D:9<br>Ref.<br>Herring<br>Cttee.      | K. Strzyżewska                  | "Spring spawners captured from spawning grounds of the southern Baltic".   |
| D:10<br>Ref.<br>Gadoid<br>Fish Cttee. | M. Kosior                       | "Some biological data on cod of the southern Baltic in the year 1965".   |
| D:11<br>Ref.<br>Gadoid<br>Fish Cttee. | J. Netzel                       | "Juvenile cod in the catches, performed with standard trawl in Gdańsk Bay 1961-1966".  |
| D:12<br>Ref.<br>Gadoid<br>Fish Cttee. | B. Draganik<br>& J. Netzel      | "An attempt to estimate the rate of growth of cod in the southern Baltic on the basis of tagging experiments".   |
| D:13<br>Ref.<br>Hydrogr.<br>Cttee.    | J. Piechura                     | "Température et salinité des eaux de la Baltique méridionale dans la période août 1965 - mai 1966".  |
| D:14                                  | J. Elwertowski<br>& B. Karnicka | "Comparative analysis of the fat content in sprat captured in particular regions of the southern Baltic".  |

Baltic-Belt Seas (continued)

D:15	O. Bagge	" <u>Cyprina islandica</u> as food for cod in the western Baltic".
D:16	Anon.	"Administrative Report".
D:17	Aa. J. C. Jensen	"The effect on the fishery of predacious fish".
D:18 Ref. Gadoid Fish Cttee.	G. Otterlind	"Problems concerning the cod in the Baltic".

Contributions from other Committees with reference to the Baltic-Belt Seas Committee

Plankton Cttee. P:7	Z. Ringer	"The southern Baltic phytoplankton in 1959".
Plankton Cttee. P:8	K. Siudziński	"Zooplankton of the Baltic Sea, the Vistula Firth and the Szczecin Firth as viewed on the background of variable conditions of salinity".
Salmon and Trout Cttee. L:7	B. K. Yevtyoukhova & N. I. Ryapolova	"Influence of hydrological factors on the spawning run dynamics of salmon and lamprey".
Herring Cttee. H:17	Aa. J. C. Jensen	"The fluctuations of the herring fishery in the Sound".

Contributions to be presented at the Statutory Meeting.

E - COMITÉ ATLANTIQUE

E:1	Anon.	"Administrative Report".
E:2	G. V. Nikolsky & D. V. Radakov	"On the biological background for evaluating fish stocks and arranging a rational fishery in the pelagic zone of tropical sea-waters".
E:3	J. Gueguen	"La dorade ( <u>Pagellus centrodontus</u> ) du Golfe de Gascogne. Note préliminaire".
E:4	R. Guichet	"Répartition bathymétrique saisonnière des poissons de chalut dans le Golfe de Gascogne".

Communications d'autres comités ayant référence au Comité Atlantique

Cté des Poissons Gadoïdes, G:16	M. Meriel-Bussy	"La maturité sexuelle du merlu dans le Golfe de Gascogne".
Cté des Poissons Gadoïdes, G:17	M. Meriel-Bussy	"La croissance du merlu dans le Golfe de Gascogne. Note préliminaire".
Cté des Poissons Gadoïdes, G:18	M. Meriel-Bussy	"Le merlu du Golfe de Gascogne. Répartition bathymétrique saisonnière et composition du stock".

Contributions to be presented at the Statutory Meeting.

F - COMPARATIVE FISHING COMMITTEE

F:1	Steinar Olsen	"Experiments with a topside chafer of double mesh-size".
F:2	R. W. Blacker	"Tests of a large-meshed topside chafer".
F:3 Hydro- acoustic	M. N. Scherbino & M. D. Truskanov	"Determination of the density of fish concentrations by means of hydroacoustic apparatus".
F:4	D. V. Radakov	"On a peculiarity of schooling behaviour in fish".
F:5 Hydro- acoustic	A. Lindquist	"Application of hydroacoustic methods on fisheries".
F:6 Hydro- acoustic	R. B. Mitson	"Application of hydroacoustic methods in fisheries".
F:7 Hydro- acoustic	R. E. Craig	"Scottish echo-sounding programme".
F:8 Hydro- acoustic	O. Dragesund & L. Midttun	"The development of acoustic instrumentation in fisheries research and commercial fisheries in Norway".
F:9 Hydro- acoustic	L. Midttun	"Note on the measurement of target strength of fish at sea".
F:10	Anon.	"Administrative Report".
F:11	F. A. O.	"Prospect on FAO Conference on Fish Behaviour in relation to Fishing Techniques and Tactics".
F:12	ICNAF	"Report of the ICNAF Gear and Selectivity Sub-Committee".

Contributions from other Committees with Reference to the Comparative Fishing Cttee.

Gadoid Fish Cttee., G:1	Anon.	"Report of the North-Western Working Group".
Statistical Cttee., S:5	F.A.O.	"Report on National Definitions of Fishing Effort Measures".
Statistical Cttee., S:6	F.A.O.	"List of National Classes of Fishing Units used in Catch Effort Statistics".
Herring Cttee., H:23	Anon.	"Preliminary report of the joint international O-group survey in the Barents Sea and adjacent waters, August-September 1966".

Contributions to be presented at the Statutory Meeting.

G - GADOID FISH COMMITTEE

G:1 Ref.: Dist.N.Seas & Comparative Fish.Cttees.	Anon.	"Report of the North-Western Working Group".
G:2	Steinar Olsen	"Density-dependent growth in saithe".
G:3	G. Lefranc	"Note préliminaire sur la morue du sud de la Mer du Nord et de la région du Pas-de-Calais".
G:4	R. Kändler & H. Kieckhäfer	"The variability of meristic characters in some species formerly belonging to the genus <i>Gadus</i> Cuv.".
G:5	R. Monteiro & M. Lima Dias	"On some aspects of the fecundity of the hake ( <i>Merluccius merluccius</i> L.) of the Portuguese coast".
G:6	G. P. Nizovtsev	"Soviet investigations on young cod of 0, I, II and III age-groups in Sub-Area I (Parents Sea)".
G:7	B. Draganik	"Age and growth of coalfish ( <i>Gadus virens</i> ) captured in the region of Shetland Island and Halten Bank in the autumn 1965".
G:8	D. J. Garrod	"Stock and recruitment data for Arctic Norwegian cod".
G:9	B. C. Bedford	"English cod tagging experiments in the North Sea".
G:10	T. Williams	"English whiting tagging experiments in the North Sea".
G:11	Anon.	"Administrative Report".
G:12	Jón Jónsson	"Results of Icelandic haddock taggings in the years 1952-1964".
G:13	Jón Jónsson	"Abundance, recruitment and growth in the Icelandic stock of cod".
G:14	Paul H. Odense, T. M. Allen & Ted C. Leung	"An electrophoretic study of tissues proteins and enzymes of four Canadian cod populations".
G:15	A. Meyer & H. H. Reinsch	"German gadoid fish research report 1965".
G:16 Ref Atlantic Cttee.	M. Meriel-Bussy	"La maturité sexuelle du merlu dans le Golfe de Gascogne".
G:17 Ref. Atlantic Cttee.	M. Meriel-Bussy	"La croissance du merlu dans le Golfe de Gascogne. Note préliminaire".
G:18 Ref Atlantic Cttee.	M. Meriel-Bussy	"Le merlu du Golfe de Gascogne. Répartition bathymétrique saisonnière et composition du stock".

Gadoid Fish Committee (continued)

G:19	J. R. G. Hislop	"A note on the fecundity of the whiting of the North Sea".
G:20	R. Jones	"Post-war changes in the North Sea stock of haddock".
G:21	D. J. Symonds & D.F.S. Raitt	"Preliminary report on Scottish cod tagging investigations 1962-64".

Contributions from other Committees with reference to the Gadoid Fish Committee

Symposium No. 7	D.F.S. Raitt	"Observations on the population dynamics of the Norway pout ( <u>Trisopterus esmarki</u> Nilsson) in the North Sea".
Baltic-Belt Seas Cttee., D:10	M. Kosior	"Some biological data on cod of the southern Baltic in the year 1965".
Baltic-Belt Seas Cttee., D:11	J. Netzel	"Juvenile cod in the catches, performed with standard trawl in Gdańsk Bay 1961-1966".
Baltic-Belt Seas Cttee., D:12	B. Draganik & J. Netzel	"An attempt to estimate the rate of growth of cod in the southern Baltic on the basis of tagging experiments".
Baltic-Belt Seas Cttee., D:18	G. Otterlind	"Problems concerning the cod in the Baltic".
Symposium No.17	J. Lahn- Johannessen	"Some observations on Norway pout and blue whiting in ICES sub-areas I and II".
Herring Cttee., H:23	Anon.	"Preliminary report of the joint international O-group survey in the Barents Sea and adjacent waters, August-September 1966".

Contributions to be presented at the Statutory Meeting.

H - HERRING COMMITTEE

H:1	A. Saville, B. B. Parrish & I. G. Baxter	"Review of herring fisheries and stocks off the west coast of Scotland".
H:2	H. Rosenthal	"Parasites in herring larvae (Observations in aquaria)".
H:3	H. Rosenthal	"Leaving the egg shell". - A film on the hatching of herring larvae.
H:4	Laboratoire de l'I.S.T.P.M., Boulogne	"La campagne harenguière 1965-66 dans la région du Pas-de-Calais".
H:5	John P. Molloy	"Herring investigations at Dummore East 1965/66".
H:6	K. H. Postuma	"On the spawning herring of the West- and Jutlandbanks".
Special Meeting		
H:7	K. H. Postuma	"Some data on the herring of the north-western North Sea".
Special Meeting		
H:8	J. J. Zijlstra	"On the spawning herring of the central North Sea".
Special Meeting		
H:9	J. J. Zijlstra	"Report on the pilot-study for future young-herring research in the North Sea".
H:10	Yu. K. Benko	"Soviet investigations of Atlanto-Scandian herring in the Norwegian Sea in 1965".
H:11	I. G. Judanov	"Spawning efficiency and strength of the Atlanto-Scandian herring in 1964 and 1965".
H:12	J. Sosiński	"Polish catches of herring over the slopes of the Norwegian Channel".
H:13	Th. Roskam	"Anisakis larvae in North Sea herring".
H:14	D. H. Cushing	"The East Anglian herring fishery in the eighteenth century".
H:15	G. A. Bogdanov & S. S. Fedorov	"On the effect of the water temperature and the abundance of the Norwegian and North Sea herring on dynamics of their growth".
H:16	Anon.	"Administrative Report".
H:17	Aa. J. C. Jensen	"The fluctuations of the herring fishery in the Sound".
Ref. Baltic-Belt Seas Cttee.		
H:18	Ed. by: S.Aa. Malmberg, Th. Thóradóttir & H. Vilhjálmsen	"Report on the joint meeting on the Atlanto-Scandian herring distribution, held at Akureyri, June 12-14, 1966".

Herring Committee (continued)

H:19	Paul H. Odense, T. M. Allen & Ted C. Leung	"The distribution of multiple forms of lactate dehydrogenase and aspartate aminotransferase in samples of two Canadian herring populations".
H:20	Anon.	"Report of fourth meeting of the Working Group on the Establishment of an International Herring Research Scheme".
H:21	G. Hempel	"Review of contributions on herring for Annales Biologiques 1965".
H:22	G. Hempel	"Conservation of herring stocks in the North Sea. (Review of comments)".
H:23 Ref. Gadoid, Comparative and Hydrogr. Cttees.	Anon.	"Preliminary report of the joint international O-group survey in the Barents Sea and adjacent waters, August-September 1966".
H:24	G. Nævdal & S. Haraldsvik	"A preliminary report of electrophoretic studies on herring serum proteins".
H:25 Spec.Meeting	S. Haraldsvik	"The spring-spawning group of herring in the north-eastern North Sea".
H:26 Spec.Meeting	S. Haraldsvik	"The autumn-spawning group of herring in the north-eastern North Sea".
H:27 Spec.Meeting	O. Dragesund & S. Haraldsvik	"Norwegian tagging experiments in the north-eastern North Sea and Skagerrak, 1964 and 1965".
H:28 (Spec.Meeting)	O. Dragesund	<b>Not issued.</b>
H:29 Spec.Meeting	A. C. Burd	"On stock and recruitment in the Buchan and Downs stock of herring".
H:30 Spec.Meeting	I. G. Baxter	"Meristic characters of herring with high and low fecundities in the pre-spawning concentrations in the north-western North Sea".
H:31 Special Meeting	A. Saville	"The distribution and abundance of herring larvae in the northern North Sea".
H:32 Special Meeting	B. B. Parrish	"Changes in herring catches and stocks in the northern North Sea since the War".
H:33 Special Meeting	Anon.	"Comments to conservation of Downs herring". (To be considered together with H:22).
H:33.a Special Meeting	Cl. Nédélec	"Reponses aux questions de la NEAFC concernant la conservation des stocks de harong en Mer du Nord". (To be considered together with H:33).
H:34 Spec.Meeting	K. Schubert	"The German northern North Sea herring fishery".
H:35 Spec.Meeting	A. Schumacher	"Preliminary report of the results of racial investigations of the spawning herring of the North Sea".

Paper from an other Committee but with reference to the Herring Committee

Baltic-Belt Seas Cttee, D:9	K. Strzyzewska	"Spring spawners captured from spawning grounds of the southern Baltic".
-----------------------------------	----------------	--

Contributions to be presented at the Statutory Meeting.

J - COMITÉ DE LA SARDINE

- |     |  |   |
|-----|--|---|
| J:1 | Anon.                                      | "Administrative Report".  |
| J:2 | A. Lindquist                               | "Gillrakers, head, body length and year-classes of the sprat".  |

Contributions to be presented at the Statutory Meeting.

N - HYDROGRAPHICAL COMMITTEE

N:1a, b, c, d, e	Anon	"Report with background documents from the ICES Meeting on Service Hydrographique, March 1966".
N:2	J. Smed	"Report on the 3rd Meeting of the IOC Working Group on Oceanographic Data Exchange".
N:3	Anon	"List of national offices charged with distribution of information concerning oceanographic buoys".
N:4	Anon	"Report on the 1st Meeting of the IOC Working Group on Co-operative Investigations of Variability in the Ocean".
N:5	J. Gieskes	"Continuous measurements of the horizontal and vertical distribution of salinity by means of the membrane salinometer".
N:6	L. Magaard	"Results of the International Baltic Sea Programme 1964: Spectra of Currents and Temperature".
N:7	J. Meincke	"On the depth of seasonal density variations in the North Atlantic".
N:8	G. Weichart	"Some chemical properties of the water layers next to the ocean floor in the Iberia abyssal plain".
N:9	J.H. Steele	"Current measurements on the Iceland-Faroe Ridge".
N:10	R. Johnston	"Determination of ammonia in sea-water as rubazotic acid".
N:11	J. Gieskes	"The pH measurements during the Intercalibration Meeting in Leningrad, May 1966".
N:12	K. Grasshoff	"On a new sensitive and direct method for the automatic and manual determination of ammonia in sea-water".
N:13	L. Otto	"Optical properties and water-masses of the Southern Bight of the North Sea during March 1966".
N:14	K. Grasshoff	"Results of the chlorinity and salinity intercalibration measurements, Leningrad 1966".
N:15	D. Nehring	"Results of the oxygen intercalibration measurements, Leningrad 1966".
N:16	S. Fonselius	"The results of the phosphate intercalibration measurements in Leningrad, May 24, 1966".
N:17	J. Eggvin	"Rapid utilization of synoptic oceanographic observations".
N:18	J. Eggvin	"Report on the 2nd meeting of the IOC Working Group on Ocean Data Stations, Paris 28 February - 3 March 1966".
N:19	A. Svansson	"Long-term variations of sub-surface temperature in the Skagerrak".

Hydrographical Committee (continued)

N:20	A. Voipio	"On the <sup>90</sup> Sr and <sup>137</sup> Cs balances in the Baltic Sea".
N:21	Anon	"ICES Punch-Card Problems 1966. Report to the Sub-Committee for Automatic Data Processing".
N:22	Anon	"Report on the activities of the Service Hydrographique 1965-1966".
N:23	Anon	"Production of ICES Oceanographic Data Lists in 1966/67. An estimate by the Service Hydrographique".
N:24	Anon	"Administrative Report".
N:25	Anon	"Submission of annual oceanographic programmes".
N:26	Odd H. Sælen	"Draft Report of the Sub-Committee for Automatic Data Processing".
N:27	Anon	"Report of the IGY Working Group".
N:28	Anon	"Report of the Working Group for Intercalibration and Standardization of Chemical Methods in Oceanography".
N:29	Anon	"Report of the Skagerrak Expedition in 1966".
N:30	Anon	"Report of the Working Group on Diffusion Processes in the Sea".
N:31	Anon	"Report of the Sub-Committee on the Co-ordination of Hydrographic Investigations in the Baltic".
N:32	Anon	"Report of the Sub-Committee for Telegraphic Communication of Oceanographic Observations".
N:33	Anon	"Report of the ICES/TAPO/SCOR/UNESCO Joint Panel on Oceanographic Tables and Standards".

Contributions to be presented at the Statutory Meeting.
