-o-o-o-

Documents are coded for different Committees in accordance with their terms of reference and instructions given by the governing bodies from time to time.

In some cases a paper is coded to one Committee and reference made to one or more other Committees. The intention is to ensure that members of both (all) Committees receive copies in advance. The Chairmen concerned will agree as to presentation in the Committees. Presentation of the same material in more than one Committee should be avoided.

Gen: General Assembly Reports and Papers of General Interest

- Gen:1 "Reports by Observers from Collaborating Organisations".
- Gen:2 "Activities of ICES 1976/77".
- Gen:3 "ICES statistical rectangle coding system".
- Gen:4 "Advance Release of Tables 1-5 of Bulletin Statistique, Vol. 61 (for 1976)".
- Gen:5 "Election of Committee Chairmen at the 65th Statutory Meeting". (E + F)
- Gen:6 "Notes on recommendations and reports".

Del - DELEGATES MEETINGS

- Del:1* "Audited Accounts for 1975/76 with Balance Sheet per 31/10 1976, and Notes by the General Secretary".
- Del:2* "Preliminary Report on the Administration for the Year 1/11-1976 - 31/10 1977".
- Del:3* "Administrative Reports of Area and Subject Committees 1976".
- Del:4* "Estimated Accounts for the Financial Year 1976/77".
- Del:5* "Budget for the Financial Year 1977/78". (E + F)
- Del:6* "Forecast Budget for the Financial Year 1978/79". (E + F)
- Del:7* "Report of the 'Bureau Working Group' London 30 June - 2 July 1977 (with proposals for amendments of the Rules of Procedure)".
- Del:8* "Proposals for amendments of the Rules of Procedure". (E + F)
- Del:9* "Freedom of research in the Council's area".
- Del:10* "Elections to be undertaken by the Council at the 65th Statutory Meeting". (E + F)

* For Delegates only.

B - GEAR AND BEHAVIOUR COMMITTEE

B:1		Administrative Report.
B:2		"Report of the Working Group on Research on Engineering Aspects of Fishing Gear, Vessels and Equipment".
B:3		"Report of the Special Joint Session on biological and technological aspects of electrical fishing".
B:4		"Report of the Working Group on Reactions of Fish to Fishing Operations".
B:5	T Carstens	"Bottom trawling across sea pipelines".
Ref. Fisheries Improvement Cttee		
B:6	R Le Men	"Etude d'un système de pêche par lumière, champ électrique et pompe pour la capture des sardines, <u>Sardina pilchardus</u> (Walbaum)".
B:7	H Aloncle et F Delaporte	"Etudes comparatives de différents leurres à germons (<u>Thunnus alalunga</u>)".
Ref. Pelagic Fish (S) Cttee		
B:8	S J de Groot	"The relation between beam trawling and submarine pipelines and possible adaptations of the fishing gear to reduce impact forces".
Ref. Fisheries Improvement Cttee		
B:9	S J de Groot	"Dutch fishing activities in the North Sea and adjacent waters relevant to the safety of underwater pipelines".
Ref. Fisheries Improvement Cttee		
B:10	S J de Groot and A D McIntyre	"Literature references relevant to the interaction between the fishing industry and the offshore gas/oil industries".
Ref. Fisheries Improvement Cttee		
B:11	H R vander Wal	"Pipeline surveying on the Dutch shelf".
Ref. Fisheries Improvement Cttee		
B:12	J W Brouwer	"Use of offshore platforms for other activities".
Ref. Fisheries Improvement Cttee		
B:13	F Lous	"Burial depth requirements and experience with pipeline burial on the Dutch continental shelf".
Ref. Fisheries Improvement Cttee		
B:14	RWS North Sea Directorate	"Disposal of chemicals used in offshore industry".
Ref. Fisheries Improvement Cttee		
B:15	Ministerie van Economische Zaken, Directie Mijnwezen, The Hague	"A short note on the Dutch legislation and short regulations of the interaction between the offshore oil and gas industry and the fisheries".
Ref. Fisheries Improvement Cttee		
B:16	S Malkiavichus	"The main points of the method of calculation of pulse generators for electric fishing".
B:17	V R Protasov and N A Treschova	"To the problem of complex influence on fish of signals of various modality.

Gear and Behaviour Cttee (ctd)

B:18	P J G Carrothers	"Concerning the International Standards Organization draft proposal for a standard method of test for determining mesh size using the ICES meter".
B:19	P J G Carrothers	"General Report of the Gear and Behaviour Working Group meetings, Hamburg, 18-22 April 1977".
B:20		"Concerning the Draft Manual by Dr A I Treschev (ed. by P J G Carrothers) on: "Application of the Fish Volume Method for Measuring Fishing Effort".
B:21	E Dahm, K Lange and R Steinberg	"Recent studies on rope trawls".
B:22	G Freytag and H Mohr	"Aimed trawling on oceanic red-fish (<u>Sebastes mentella</u> Travin) in the Irminger Sea".
B:23	H Bohl	"Selection of saithe by bottom trawl codends in Icelandic waters".
B:24	M Portier et J Prado	"Expérimentation et mesures sur un chalut pélagique et deux chaluts de fond".
B:25	A Verbaan	"Review of the Netherlands' investigations into a pelagic rope trawl".
B:26	J C Brabant et P Cousin	"Calculs des différentes longueurs dans un chalut à cordes".
B:27 Ref. Fisheries Improvement Cttee	R Fonteyne	"Some Belgian information on the interaction between the offshore gas/oil industries and the fishing industry".
B:28	J G de Wit	"Some Notes on Paper C.M.1977/B:18".
B:29		Withdrawn.
B:30	M P Sissenwine and E W Bowman	"Fishing power of two bottom trawls towed by research vessels off the north-east coast of the USA during day and night".
B:31 Ref. Fisheries Improvement Cttee	H D McDiarmid	"Navigation and position recording to avoid oil/gas seabed obstructions".
B:32 Ref. Fisheries Improvement Cttee	R S Aitken	"Fishing interference with submarine telephone cables in the southern North Sea".
B:33 Ref. Fisheries Improvement Cttee	D N MacLennan and E S Strange	"Fishing activities in the northern North Sea relevant to the safety of underwater pipelines".
B:34 Ref. Fisheries Improvement Cttee	J J Foster	"The performance of otter boards and other parts of fishing gear when in contact with the sea".

Gear and Behaviour Cttee (ctd)

B:35		Withdrawn.
B:36	G Hering	"Analysis of catching efficiency and fish behaviour by means of the sigma-function".
B:37	H Stengel	"Some considerations to the non-uniform motion of trawl systems".
B:38	A K Beltestad	"Selectivity experiments with topside chafers and round straps".
B:39	A K Beltestad	"Experiments with nets of hexagonal meshes in a purse seine".
B:40	L Karlsen	"Development and testing of rope and large meshed midwater trawls in Norway".
B:41 Ref. Fisheries Improvement Cttee	S Olsen and J W Valdemarsen	"Fish distribution studies around offshore installations".
B:42 Ref. Demersal Fish (N) Committee	J W Valdemarsen, A Fernø and A Johannessen	"Studies on the behaviour of some gadoid species in relation to traps".
B:43	I Huse and L Karlsen	"Further results of Norwegian long-line studies".
B:44	A Fernø, S Tilseth and P Solemdal	"The behaviour of whiting (<u>Gadus merlangus</u>) in relation to long lines".
B:45	S Tilseth and P Solemdal	"Methods for testing smell response in fish".

Reference Papers to the Gear and Behaviour Committee

E:7 Fisheries Improvement Committee	G Rauck	"The activities of offshore gas and oil industries on the German continental shelf and their interference with the fishery".
E:41 Fisheries Improvement Committee	A D Read and A D McIntyre	"National regulations and procedures in the United Kingdom relating to the co-existence of fisheries and offshore oil/gas operations".
E:59 Fisheries Improvement Committee	B Rasmussen	"Effects on fishing of debris left or dumped by the Norwegian oil and gas industry".
H:35 Pelagic Fish (N) Cttee.	O Nakken and A Dommasnes	"Acoustic estimates of the Barents Sea capelin stock 1971-76".
K:18 Shellfish and Benthos Committee	J F Caddy	"Some considerations underlying definitions of catchability and fishing effort in shellfish fisheries, and their relevance for stock assessment purposes".
K:24	A Charuau	"Comparaison des prises de langoustines par les chaluts équipés de poches en mailles de 46 et 60 mm".

C - HYDROGRAPHY COMMITTEE

C:1	J C J Nihoul	"Three-dimensional model of tides and storm surges in a shallow well-mixed continental sea".
C:2 Ref. Fisheries Improvement and Plankton Cttees		"Report of the ICES Study Group on the Flushing Time of the North Sea (2-3 February 1977, Lowestoft)".
C:3 Ref. Fisheries Improvement and Plankton Cttees	G Weichart	"The pH in the waters of the German Bight as influenced by primary production and respiration and by acid TiO_2 wastes".
C:4 Ref. Fisheries Improvement Cttee		"Results of the Baltic Intercalibration Workshop, Kiel, March 1977".
C:5	K J Medler	"Residual drift regimes in the west central North Sea during JONSDAP 76".
C:6	J A Durance	"An estimate of Stokes' drift in the North Sea".
C:7	J W Ramster and A R Burgess	"Two aspects of moored current meter data recorded off the east coast of England".
C:8	J W Ramster	"Residual drift regimes off the northeast coast of England during 1976".
C:9	A R Folkard and B L Hampson	"Automated analysis of ammonia in seawater".
C:10 Ref. Fisheries Improvement Cttee	D Schmidt	"Use of aircraft remote sensing in marine chemistry and pollution research with particular reference to the dumping of TiO_2 waste solutions".
C:11	H W Hill and R K Dickson	"Preliminary analysis of deep-water movements in the eastern North Atlantic".
C:12	Jens Smed	"Introduction to the Hydrography Chapter of Annales Biologiques, Vol.33 (for 1976)".
C:13	ICES Hydrographer	"Activities of the ICES Service Hydrographique during 1976/77".
C:14	D J Lawrence and J W Ramster	"An evaluation of the use of stream function fitting in the interpretation of data collected from moored current meter networks".
C:15	S H Fonselius	"An inflow of unusually warm water into the Baltic deep basins".
C:16	W Matthäus	"General trends in the development of the oxygen regime in the deep water of the Baltic".

Hydrography Cttee (ctd)

C:17	D Nehring	"On the input of nutrients into the Baltic through the Belts and the Sound".
C:18	P C Smith	"Low frequency fluxes of momentum, heat, salt and nutrients at the edge of the Scotian Shelf".
C:19	ICES Hydrographer	"Catalogue of regularly issued marine environmental data products for the ICES area. 1977 issue".
C:20	A Walton and W D Jamieson	"The Canadian marine analytical chemistry standards program".
C:21	T Gytre	"Measurements of salinity with a new ultrasonic salinity sensor".
C:22	T Gytre	"The design and use of a profiling instrument for measuring and recording physical variables in the sea".
C:23	T Gytre and S Sundby	"A new instrument for simple observations of current speed and direction in the field".
Ref. Plankton Cttee	C:24 H D Dooley	"The long-term transport of diurnally migrating plankton".
C:25	B Lundgren and N Højerslev	"Inherent and apparent optical properties of Icelandic waters. 'Bjarni Sæmundsson', Overflow 73".
C:26	F Schott	"The calculation of absolute currents from hydrographic data alone".
C:27	J Meincke	"Characteristics of low salinity intermediate waters around the Faroes".
C:28	ICES Hydrographer	"National ship codes of the ICES punch card system, as per August 1977".
C:29	J W Sherman III	"Review of 1978 satellite systems for oceanic applications".
C:30		Withdrawn.
C:31		Withdrawn.
C:32	J C Swallow, W J Gould and P M Saunders	"Evidence for a poleward eastern boundary current in the North Atlantic Ocean".
C:33	D Webb	"Analysis of some current meter observations in the Rockall Trough".
C:34	W J Gould	"Nimbus buoy tracks in the NE Atlantic".
C:35	P G Collar and R M Carson	"Laboratory and field experiments on surface buoys for current measurement".

Hydrography Cttee (ctd)

C:36	F E Dahl	"Variations in the Norwegian coastal current off Arendal during 1975 and 1976".
C:37	G A Becker and D P Kohnke	"Comments on long-term variations of sea-surface temperature in the European shelf seas".
C:38	G A Becker and K Huber	"Air-borne infrared radiometry in the German Bight".
C:39*	ICES Hydrographer	"ICES catalogue of computer programmes in physical and chemical oceanography. 1977 issue".
C:40	ICES Hydrographer	"Provisional programme of work for ICES Service Hydrographique 1977/78".
C:41*	U.S. NODC	"ROSCOP summary of U.S. cruises in the ICES area 1976".
Ref. Plankton Cttee C:42	N K Højerslev	"Spectral daylight irradiance and light transmittance in natural waters measured by means of a Secchi Disc only".
C:43	H W Riepmma	"Spatial variability of residual currents in an area of the southern North Sea".
C:44	A Shor, D Muller and D Johnson	"Transport of Norwegian Sea Overflow - Preliminary results of "Atlantis II" cruise 94, June-July 1977".
C:45	H Bullis Jr.	"Aerospace remote sensing: Potential and limitations as applied to fisheries problems".

Reference Papers to the Hydrography Committee
