- ⊖ Negative overall effect
- Ⓢ Increase at extremities

The top section features the 'Fizzyfish' logo in a large, bold, blue, italicized sans-serif font. Below it, the text 'Linking Physics To Fisheries Management' is written in a smaller, black, sans-serif font. To the left of this text are three circular icons: a blue circle with a white wave, a blue circle with a white right-pointing arrow, and a blue circle with a white fish silhouette. Below the 'Fizzyfish' text is a dark blue horizontal bar. At the bottom of this bar, the word 'DEVOTES' is written in a large, bold, blue, sans-serif font. To the right of 'DEVOTES' is a circular icon of a globe with a red compass needle pointing towards the top-right. Below 'DEVOTES' is the website address 'www.devotes-project.eu' in a blue, sans-serif font, followed by the tagline 'Development of innovative tools for understanding' in a smaller, black, sans-serif font.
