

# WGOWDF

## Working Group on Offshore Wind Development and Fisheries

Human Activities, Pressures and Impacts Steering Group (HAPISG)

### RESEARCH FOCUS

- WGOWDF focuses on the interactions between fisheries and offshore wind energy
- The group will evaluate and address impacts on
  - fishery operations and fishing communities,
  - fishery-independent surveys and fishery-dependent data, and
  - marine habitat alterations.

### OUR OBJECTIVE

WGOWDF focuses on key interactions between fisheries and offshore wind energy and generates review papers, methods publications, and recommendation reports.

### OUR EXPERTISE

Our members represent a diversity of expertise, including fisheries economists and social scientists, fishery/fishing operational experts, marine biologists, oceanographers, survey design and statistical methods experts, and ecosystem scientists from government, academia, and industry.

### OUR CHAIRS

Andrew Gill

Edward Willstead

Andrew Lipsky
