

NOTES ON RECOMMENDATIONS AND REPORTS

1. Recommendations and Reports will be in their final form only when approved by the Council on 9 October. Recommendations and Reports as appearing in circulation during the Statutory Meeting are, therefore, to be considered as drafts and should not be used for outside communications.
2. An edited list of all approved Recommendations, with the numbers under which they will appear in the Procès-Verbal de la Réunion 1974, will be available at the Secretariat about 2 weeks after the meeting. Copies will be mailed to all Delegates, Committee Chairmen and Observers.
3. Procès-Verbal de la Réunion 1974 will be issued by the end of December 1974.
4. The General Secretary will be pleased to assist any participant, who may need the Recommendations and Reports in their final form before the Procès-Verbal is issued.
